### SUPPLEMENTARY INFORMATION:

#### Correction

In the *Federal Register* of April 27, 2021, in FR Doc. 2021-08167, on page 22214, in the third column, correct the “Addresses” caption to read:

**ADDRESSES:** Public comments should be submitted online at <http://www.regulations.gov>. All submissions must be submitted to the Docket named HHS-OASH-2021-0012 to “Request for Information (RFI) from Non-Federal Stakeholders: Developing the National Public Health Strategy for the Prevention and Control of Vector-Borne Diseases in Humans.” Comments submitted electronically, including attachments, will be posted to the docket unchanged and available for view by the public. Evidence and information supporting your comment can be submitted as attachments. Please provide your contact information or organization name on the

web-based form for possible follow up from HHS. There is a 5,000 character limit on comments and maximum number (10) of attached files and maximum size (10 MB) of each attached file.

In the *Federal Register* of April 27, 2021, in FR Doc. 2021-08167, on page 22215, in the second column, after question number “4.” should be two additional questions to read as follows:

5. How can insights from climate change be incorporated into the development of a national strategy?
6. How should low-income and vulnerable populations be addressed in the national strategy?
